The Adelson Educational Campus Opens Applications for Academic Scholarships

Las Vegas, October 29 --- The Board of Trustees and Paul Schiffman, Head of School, today announced that The Adelson Upper School (grades 9-12) will again offer full-tuition academic scholarships to qualified applicants entering grades 9-11 for the upcoming 2010-2011 academic school year. "Given these tough economic times, we want families in Southern Nevada to know that they can consider an independent school education for their child irregardless of their ability to pay tuition," commented Schiffman. "We do not want to exclude academically strong students who would benefit from our program and from whom we would benefit by having them as members of our student body. The Merit Scholarship Program as we call it allows us to open our enrollment to more families in the area. I encourage families to apply."

In order to qualify for the 2010-2011 academic year, students must currently hold and maintain a minimum 3.5 grade point average, interview at the school and take a qualification exam, which will be given at the school on Sunday, November 8 and again on Sunday, December 13 from 8 am until Noon. Interested student applicants should call the school at (702) 255-4500 for application and testing information.

Information and application details can also be found at www.adelsoncampus.org.
